

\$100,000 PAID FOR THE ACRE

Eastland Company Gets Record Price For Burk Burnett Land.

Wichita Falls, Texas, Nov. 24.—A record breaking deal was closed several days ago when the Eastland Oil and Refining company received more than \$100,000 for one acre of land in block 25 of the Burk Burnett field. This tract was sold to New York parties with the understanding that a well drilled in on it must make 500 barrels of oil per day.

The Eastland Oil and Refining company owes considerable acreage in the Burk Burnett field. It has four wells producing oil on its lot 21 in block 25, Evans survey, which are making an approximate production of 400 barrels per day.

This company has put its new refinery, situated at Dallas into operation. A line is now being laid from the refinery plant to several industrial concerns in Dallas who have contracted for fuel oil. The company will deliver 100 barrels or 40 trainloads of this oil to Dallas concerns. The company has contracts for enormous quantities of oil from eastern concerns, too.

TUNNEL BUYS OIL LEASE.
JACKSONVILLE, TEXAS, Nov. 24.—Joseph P. Tunney, secretary to president Wilson, has purchased an oil lease in this vicinity.

Society Ladies Adopt New Hair Curling Method

Since the introduction of liquid salinizing in this country, it has become quite "the proper thing" among society women, who have readily adopted it in place of the destructive curling iron. The waves and curls acquired by the new method are far more natural in appearance and the hair is of course glossier and prettier than could be if the hair were curled out of it.

The liquid is pleasant to use, being neither greasy nor sticky. It is a simple thing to apply with a clean tooth brush at night when the hair is down. The lovely wave effect in evidence in the morning is all that one could wish for. It costs little to use liquid salinizing, as a few ounces from the drugist will keep the hair in curl for weeks—Adv.

How to relieve skin troubles

If you are troubled with eczema—if your skin is rough, red, pimply and blotchy—if it itches and burns—simply apply to the affected part a little Resinol Ointment. It will even give quicker results if first bathed with Resinol Soap and warm water.

Resinol Ointment contains medicinal agents that act quickly and directly upon the skin, heal its hurts and help it to keep healthy and attractive.

OIL OPERATIONS TAKE NEW LIFE

Many Companies Are Entering the Vernon Field Daily.

Vernon, Texas, Nov. 24.—During the past several days oil operations in the Vernon field have taken on new life. Many new concerns are entering the district and are planning the erection of refineries and the sinking of many test wells for oil. On account of the great difficulty in securing casing many tests which have been progressing at a rapid rate have been compelled to suspend operations.

A 3000 barrel refinery is to be erected at an early date at Harold by the Blue Seal Refining company. Harold is near heavy production in the Wilbarger county fields and the refinery will be located so as to secure an ample supply of oil.

The Fort Smith Synthetic Oil company has secured much acreage in Wilbarger county. A derrick is up on its first location in block 14, near Telford.

The New Domain Oil and Gas company, a subsidiary of the South Penn Oil company, is making arrangements to take up leases of a large number of acres of Wilbarger county, located in the various districts of the county. This company has recently placed its head office from Amarillo to Vernon. The Atlas-Greene Drilling company, a new organization, will begin active development work on its 32-acre tract in the various sections of the field at an early date. The company is capitalized at \$100,000 and has two drilling rigs, a standard and rotary. The Home Oil company is a new concern in the field. It will develop its holdings of 615 acres in the east-end part of Vernon city. Its capital is \$100,000. Operations will be under way on this property soon.

The Home Oil and Refining company, as the Wilbarger ranch, south of Vernon is shut down pending the arrival of casing, which is enroute.

HID-KANSAS COMPANY
BUILDS IN GOOD WELL
Deedman, Texas, Nov. 24.—A 1000 barrel well has been completed in the Deedman field by the Mid-Kansas Oil and Gas company. It is the company's No. 2 Jones, one mile and a half west of the Deedman townsite. It is an offset to the Magnolia field. The production of the well is coming from a sand encountered at 2551 feet.

Procure a package from your druggist today, and let it rid you of those annoying, unsightly and embarrassing afflictions of the skin.

RESINOL SHAVING STICK soothes tender skin.

Chasing Rainbows—
Remember a few months ago when the southwest was full of promoters selling stock in various schemes capitalized at a few thousand dollars?

Remember how they were quoting from Atwood's Saturday Evening Post stories "Rainbow End"? The advertising matter of these promoters sounded pretty good—but people learned that producing oil was a BUSINESS that could be successfully conducted only by BUSINESS MEN—and they learned, too, that it required CAPITAL.

I'm recommending AMERICAN because this company is a sound, conservative, legitimate business proposition—the organizers are prominent SUCCESSFUL men of the Southwest, the same men who so successfully conducted the affairs of BIG FOUR.

American OWNS—not controls—THOUSANDS and THOUSANDS of acres of valuable leases in the various oil fields of Texas, Louisiana, New Mexico. Their HOMER Holdings are in the heart of the greatest activity in this field and in the Northwest. BURK BURNETT AMERICAN has a TWO-THOUSAND well connected with the pipe line.

Of course, AMERICAN OIL & REFINING CO. will not remain on the market long at par, \$1.00 a share—for that reason it is advisable that you wire me your reservation—any money will protect you until your remittance reaches me.

Gulf Refining Company Sues Shipping Board

Claims Millions Damage Because Ships Taken Over During War.

Houston, Tex., Nov. 24.—Claiming \$2,412,671.30 as "consequential damages" suffered by reason of the taking over of its vessels during the war, the Gulf Refining company has filed suit in the United States court of claims to recover that amount from the shipping board, according to information received here from Washington.

Of the sum claimed \$700,000 is for "damages through forced cessation of its sale," and \$1,712,671.30 for "damages due to forced cessation of imports of Mexican crude oil." The balance is for the hire of six steamers which were requisitioned.

The suit is the result of the refusal of the shipping board to grant the claims of the Gulf Refining company and of the refusal of the company to accept settlement upon the return of their vessels on the basis laid down by the shipping board.

Building Road On To Frankell, North Of Ranger

Extension Will Make Ranger Distributing Point For Oil Field.

Ranger, Texas, Nov. 24.—By December 15, Manley Bros. & Co., expect to have the Wichita Falls, Ranger and Fort Worth railroad completely graded into Frankell, the new town in Stephens county, 11 miles north of Ranger.

Frankell will be opened December 15. Manley and Kell, builders of the railroad, have announced. They say the railroad will be in operation long before the winter months. The railroad will be in operation long before the winter months. The railroad will be in operation long before the winter months.

Excitement Runs High In The Electra Region

Electra, Texas, Nov. 24.—Excitement is at its height in the vicinity of the Tuttle No. 1 of the Canine Oil company. The company has put a star rig and the well is expected to be brought in any moment. This well is in the vicinity of the Tuttle No. 1 of the Canine Oil company. The company has put a star rig and the well is expected to be brought in any moment.

SCHOOL LAND TO BE OFFERED FOR OIL AND GAS LEASES

Oklahoma City, Okla., Nov. 24.—School lands will be offered for oil and gas leases on December 15 in Logan, Oklahoma. The greatest number of requests for these lands have come from Oklahoma City, Oklahoma City, Oklahoma City.

OPERATIONS NOW BOOMING IN THE ABILENE FIELD

Abilene, Texas, Nov. 24.—Drilling operations will be rushed at the Abilene field. The field is in the vicinity of the Abilene field. The field is in the vicinity of the Abilene field.

Oil Men Show Interest In The Athens Field

Athens, Texas, Nov. 24.—Big operations are turning their attention to the Athens field, where Dr. C. O. Garfield is making an examination of the structures hereabouts. Dr. Garfield located the first big producer in Comanche county.

CAL-TEXAS COMPANY STARTS DRILLING IN GOLDIAD FIELD

Goldi, Texas, Nov. 24.—Headquarters of the Cal-Texas oil company of California have been opened up at Goldi. This organization has a capital stock of \$100,000. J. R. Pock is manager.

TEXAS COMPANY INCREASES CAPITAL STOCK TO \$200,000,000

Houston, Texas, Nov. 24.—The capital stock of the Texas company has been increased from \$100,000,000 to \$200,000,000 at a meeting of the stockholders here. The par value of the stock was reduced from \$100 to \$50 a share.

Oil Shipped To New York

Texas City, Texas, Nov. 24.—The second cargo of oil to be shipped out of Texas City to New York city is enroute. The J. A. Bostwick of 2824 cent tons, one of the largest boats that ever entered the harbor at Texas City took on 50,000 barrels of fuel oil in less than 24 hours. The oil is the production of the West Columbia field.

LAND LEASED AT PITTSBURGH, TEXAS

Pittsburg, Texas, Nov. 24.—Leasing activities are being conducted in the vicinity of Pittsburg. Development is expected to begin in the near future in that district where options and promises are being obtained for sinking test wells within a short time.

DOYS ACCEGE BROOKS TRACT AT CLEBURNE WELL COMES IN

Another Gusher Added to List at Depth of 3517 Feet.

Eastland, Texas, Nov. 24.—A 2000-barrel well has been brought in on the Brooks heirs tract at a depth of 3517 feet by the Texas-Arkansas Oil company. The well is in five miles north of Eastland. For more than two weeks this well made 1800 barrels daily from the top of the lime formation, and when drilled into the big pay the production increased.

In the Deedman field the Southern Drilling company has a 40,000-cubic foot gusher on the Shellenberger tract, two miles north of the Deedman townsite. The gas flow is coming from a depth of 2428 feet, which is about 100 feet deeper than the depth at which the Duke sand has been encountered in this vicinity. It proves there is a second producing sand in the Deedman field.

Freight Service Improved To Texas Oil Fields

Dallas, Texas, Nov. 24.—Daily freight service has been started to the Wichita Falls and Ranger oil fields for the purpose of bringing a better freight service on less than carload shipments of merchandise between the city and the above mentioned oil centers.

This new freight service will equalize the disadvantage encountered by Dallas shippers in competition with shippers in other cities, owing to the fact that the three freight trains out of this city to the fields weekly.

Oil Flows From Well At Cleburne, Texas

Cleburne, Texas, Nov. 24.—Oil is flowing from the 2000 foot water well at the Santa Fe shops here, which, at a cost of \$15,000, was drilled before the war.

Operators who have visited the site are inclined to think that a gas pressure is forcing the oil through the cement in the bottom of the well. Two oil rigs have been unloaded near Santa Fe shops. They will be used in drilling the best located well in the Brooks heirs tract, near the border of Johnson and Somerville counties.

Eagle Company Spuds In Well In Cherokee County

Alta, Texas, Nov. 24.—The spudding in of the Eagle Oil and Refining company's No. 1 in Cherokee county, Texas, has created much excitement in this district. The well will be drilled to a total depth of 2500 feet unless oil or gas is paying quantities is found at a lower depth.

In the vicinity of the Eagle Oil and Refining company's location there is much activity in leases and royalties.

Gas Franchise Awarded

Carrollton, Texas, Nov. 24.—The natural gas franchise for Carrollton has been awarded to Holmes and Crane, operators of west Texas, by the Texas state legislature. The franchise was awarded this concern upon the results of present operations in this district. The franchise will be in effect for a period of 25 years.

Voting Made Compulsory In Hungarian Elections

Buda Pest, Hungary, Nov. 24.—Voting is compulsory in the Hungarian elections on December 31, at which members of the new national assembly will be elected. The decree fixing the date for the election stipulates that those who abstain from voting may be punished by imprisonment.

Colorado Governor Calls Extra Legislative Session

Denver, Colo., Nov. 24.—Governor Shoup has called a special session of the Colorado legislature, notifying them that a special session of the legislature will be held on December 1. The governor would not discuss the subjects to be included in the call.

You Can Think and Work Better; Eat and Sleep Better

If You Have Pure Blood.
Your blood is made up of the food you eat, the water you drink, and the air you breathe. If your food, water and air are bad, your blood will become impure. But, even when the best and most nourishing food is eaten, the purest of water is drunk, your blood may be made impure from other causes.

That Darned Kid Leaves His Roller Skates All Over The Place! I'll Push 'Em Out Of The Way!

For many years Plough's Prescription C-2223 has been used with great success as a blood purifier. Before the treatment, ready prepared, was offered to the public, it was used by a prominent physician to relieve those conditions caused by impure blood. It was his prescription for blood and rheumatic troubles.

AND HE DID

This concentrated liquid treatment contains certain medicinal ingredients which are known and used by the medical profession, and authorities agree that these are some of the best drugs known for the treatment of rheumatic conditions, skin diseases and troubles caused by an impure state of the blood.

AND HE DID

If you are half sick, tired all the time, have reason to believe that your blood is impure, go to your nearest druggist, get a bottle of Plough's Prescription C-2223 and a box of Plough's Prescription C-2223. You will send both, all charges paid, on receipt of \$1.15. Your money back if you are not satisfied. Clip and mail this for sample of Pills and Leaflet containing Plough's Prescription C-2223—Adv.

TEXAS TO ADVERTISE FOR STATE FUNDS DEPOSITORS

Austin, Tex., Nov. 24.—Bids from additional institutions to act as depositories for state funds will be advertised for by the state banking board December 1, and the last day for receiving these bids will be set January 8.

There is now \$1,699,890 of state funds with state depositories. State treasurer J. W. Baker estimates that \$1,699,890 more will be available soon and the call for bids is to take care of this. Interest received from state depositories during October was \$24,522.

STATE GIVES WOMEN EQUAL RIGHTS AS INCORPORATORS

Austin, Texas, Nov. 24.—Married women may now incorporate, stockholders or directors of state banks or trust companies upon the same basis as men, according to an opinion from the attorney general's department.

This opinion is an interpretation of an act of the legislature which removes disabilities of married women and provides that they may be stockholders or officers of any organization incorporated under Texas laws without being joined by their husbands or exempt from liability because they are married.

RED CROSS IS HOLDING WAR RISK CHECKS FOR IDENTITY

Checks from the bureau of war risk insurance at Washington for the following persons are at the Red Cross log cabin in San Jacinto plant, waiting to be claimed:
Victor Walter Faber, Mrs. Nettie Collins, Mrs. Florence Elva Leavelle, Agnes Coy Simpson, Helen Sawyer.

Worn Out In Mind and Body

Your child is quick to observe disturbances in your mental attitude or physical condition. And when he asks: "What's the matter, Daddy?" there's a tone of solemn anxiety in his little voice. The depression stamped upon your face reflects intensely upon him because of his profound solicitude. He at once drops his playthings and rushes to your side, but his happy smile has disappeared and his innocent spirit is gone—replaced by a countenance of worry and a bearing of hopelessness.

You owe it to the happiness and welfare of your family to keep brain, body and heart in tandem. You are the arm and the inspiration of their lives. Dark, threatening clouds hover over their heads the instant you show signs of being "out of sorts" or "under the weather." Don't tempt their future by neglecting your health.

Lyko
The Great General Tonic
will banish that "foul feeling" and dispel that wear-out look. It will renew your strength and vigor, overcome the ravaging effects of overwork and worry, revive your appetite, a valuable aid to digestion and a worthy promoter of the general health. Because of its positive revitalizing and reconstructive value, the use is especially desirable in cases of exhausted conditions. If you suffer from nervous exhaustion, muscular or mental fatigue, weakness, dizziness, you'll find "LYKO" particularly beneficial. It turns up the entire system and keeps you feeling fit. Ask your druggist for a bottle today.
